### 杭州市普通高中 2025 届高三二次适应性考试

#### 英语 听力材料

Text 1 (Q1 01:02~01:10)

W: Waiter, could we have the bill please?

M: Can I put it all on one bill?

W: No, we'd prefer separate checks.

Text 2 (Q2 01:23~01:34)

W: How are you finding the English Literature Course for this term?

M: Honestly, the lectures are not difficult but I really wish there could be more interaction with my classmates.

Text 3 (Q3 01:46~02:02)

W: Are you going for a modern look or something more cozy?

M: I prefer a minimalist style for the entire house, light colors and simple furniture.

W: That sounds calming. I bet it'll make the living room feel spacious too.

Text 4 (Q4 02:14~02:33)

W: Have you tried the new VR game?

M: Yeah, the pictures are incredible. I felt like I was actually inside the game world.

W: That sounds amazing, but don't you think it can make your head spin?

M: Sometimes, but you can adjust the settings. It makes a huge difference.

Text 5 (Q5 02:45~02:57)

M: Got any plans for the weekend?

W: Not really just catching up on shows.

M: I'm thinking of hiking. If the weather's nice.

W: That sounds great. I should get outside too.

Text 6 (Q6&7 03:55~04:17)

W: Could you please help me with these bags?

M: Sure thing, where should I take them.

W: Room 305, thanks. Just so you know, there's some breakable stuff inside. It would kill me if anything got broken.

M: No worries, mistakes happen, but fingers crossed your bags will be safe in your room.

W: Thanks for understanding.

Text 7 (Q8-10 05:15~06:24)

W: Excuse me, I ordered a custom-made cake last week. I'm here to pick it up.

M: Ah, you must be Mrs. Sanders, right? The cake with the guitar design.

W: That's correct. It's for my band's anniversary. I hope it's ready.

M: Let me check in the back. Uh oh, there seems to be a mix up. We have a cake with a car design, not a guitar.

W: A car? That's not going to work at all. We're musicians, not race car drivers.

M: I'm terribly sorry about this. We can redesign the cake with the guitars. It will be ready in two hours and we'll deliver it to your party for free.

W: That would be great. Thank you for handling this so quickly. I guess every band has its car crash moment, right? At least we can fix it. And who knows, maybe that car cake will turn into a funny story for our band.

M: For sure. I can already imagine the headline band rocks out with surprise car cake.

W: Exactly. Thanks for turning this around.

M: You Bet See you soon. Mrs. Sanders.

Text 8 (Q11-13 08:15~09:06)

M: How are you feeling today?

W: I have butterflies in my stomach. To be honest, I'm not a big fan of dentist visits.

M: That's completely normal. I'll make it as easy as possible for you. Let's take a look, please open your mouth wide.

W: All right.

M: Hmm... there's a small hole in one of your teeth on the top right. Have you noticed any sensitivity or pain?

W: Yes, sometimes when I eat ice cream or drink something really hot it feels like a sharp sting.

M: That's the hole causing it. We'll need to fix it before it gets worse. Have you ever had a filling before?

W: Yes, once. But it was years ago, it wasn't a great experience.

M: I understand. Don't worry, it's a quick and painless procedure these days.

W: All right, let's go for it.

Text 9 (Q14-17 10:43~11:45)

W: Mr. Johnson, I have a favor to ask. I'm looking for programs that can build my job experience. Can you help me?

M: Of course, what kind of program are you looking for?

W: I'm interested in things related to nature protection, maybe with a non-profit or a government agency.

M: That's a great area. Have you checked the career center on campus? They list programs with organizations you might like.

W: I haven't looked there yet. I'll check it out. What about online? Any websites you'd recommend?

M: Absolutely, websites like indeed or LinkedIn have plenty of things. You can also check specific environmental organizations websites for openings.

W: What should I focus on when applying?

M: Highlight relevant coursework or volunteer work? And don't be afraid to reach out to people in the field.

W: Thanks. Mr. Johnson, this is really helpful.

M: You're welcome. Good luck with your search.
